

CHIPPEWA VALLEY PICKLEBALL CLUB

BOARD MEETING

AUGUST 15, 2016

Present: Mike Peterson, Goeff Groh, Deb Davis, Margaret Melrose, Marilyn Skrivseth, and Joanne Crapisi

Financial Report for July was given by Margaret.

July cash balance is \$2,200.19

Recent deposit from tournament registration fees has current balance in account at \$3560.19

Expense for tournament:

Liability insurance- \$302.00

Application fee - \$60.00

Kiosk cost was about \$301.00 Thank you to Goeff and Mike.

New court fundraising is currently at \$68,310.00

Suggestion was made to have city run tournament next year with the understanding that the profits go to the new court fund. This would eliminate the cost for liability insurance.

Mike reported that the Indoor Sports Center will have punch cards again at the same cost as last year. White lines will be painted on! No more taped lines. Looking at the same hours as last year.

Presently have 150 members in the club. Margaret is emailing thank you for membership renewal as well as new members. Including a link to the web page.

Mike, Ron and Marilyn met with the city. Grading is starting. Dividing fence between courts should be installed by tournament.
